

Attorney's Docket No. 034227-638Application No. 10/630,872

Page 2

AMENDMENTS TO THE SPECIFICATION:

Please amend the first sentence on page 1 (added by the Request for Divisional Application filed July 31, 2003, page 2, part 7) to read as follows:

This application is a divisional of Application No. 09/277,953, filed on March 29, 1999, now United States Patent No. 6,632,963 B1.

Please cancel the present two page Abstract and insert in its place the shorter Abstract presented on the next page.
